RE: Shale Development Corporation  
Sand Wash Project  
ACT/047/005  
Uintah County, Utah

Dear Mr. Thomas:

As discussed over the telephone, the Division has granted a three day extension for Shale Development Corporation's reclamation bond submittal. An acceptable form of bonding must be received by noon, Thursday, November 10, 1983. This is the final extension that will be granted. If the bond is not posted by that time, the Division will begin administrative proceedings to withdraw tentative approval of the Sand Wash Project.

Your expedient resolution of this matter is appreciated.

Sincerely,

JAMES W. SMITH, JR.
